- Review initial What We Heard report
- Review "20141108 - COF Committee Update" summarizing our discussion from the Sept 3 meeting

Objectives:

- Draft descriptions of success within each pillar for the future of St. Albert
- Key ideas for vision and values

1. 5:30 - Welcome and Dinner
2. 5:32 - Review of Meeting Minutes
3. 5:35 – Process Update
4. 5:40 – Painting a picture of the future

Cover story

For each of the four systems, we will create a cover story of the St. Albert Gazette, envisioning the ideal state for each system of sustainability in St. Albert in 50 years time.

5. 6:40 – Key ideas for our vision
 - Base assumption: Based on our discussions on Sept 3 and what was heard, small town feel/atmosphere is going to be the essence of our draft vision.
 - Committee members are asked to answer the question: What does small town atmosphere look and feel like?

6. 7:20 – What are our Values?
 - Values are the enduring principles or beliefs that guide individual and collective behaviour and relationships. These are the norms that guide the actions of the City of St. Albert and are essential to how the City interacts internally and with the community.
7. 8:00 – Next steps
8. 8:30 – Adjournment
