

# Transit Parking at Village Transit Station

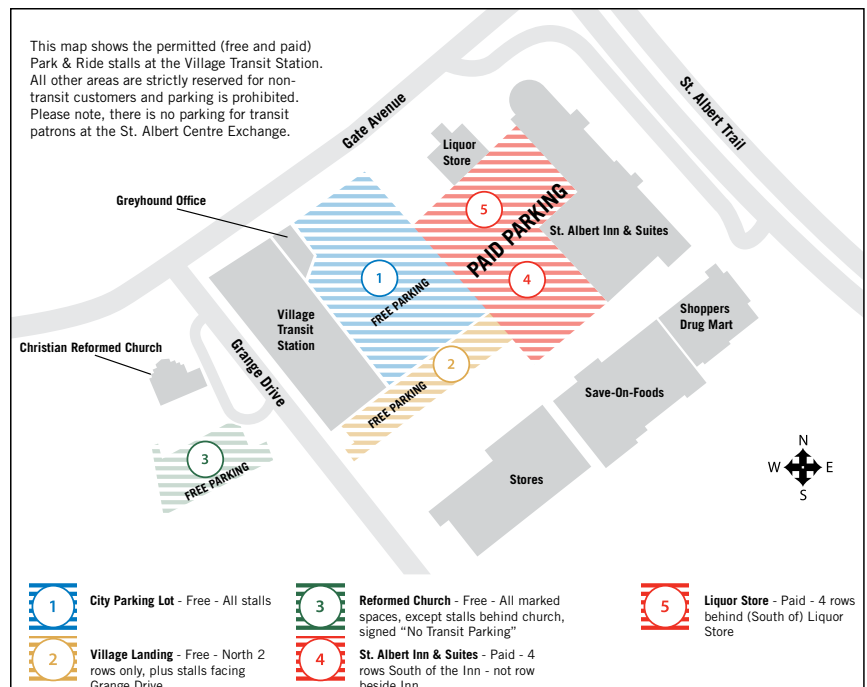

Approximately 500 Park & Ride stalls are available beside Village Transit Station. These are first-come, first-serve. Stalls owned by the St. Albert Inn and Suites are available for \$4/day. All other spaces are free. See map below for free and paid parking locations. Please comply with all parking signage.

Park & Ride is a convenient option; however, we encourage you to use local routes, where possible, to avoid disappointment if parking is not available. Local routes will get you punctually to the Village Transit Station or St. Albert Centre Exchange, with reliable onward connections to commuter destinations.

Please note: commercial property owners can enforce “customer only” parking, by ticketing or having illegally parked vehicles towed away. St. Albert Transit is not responsible for tickets issued for private property violations.

For local route scheduling and information, please visit our website at [ridestat.ca](http://ridestat.ca) or call 780-418-6060.
