### WILDLIFE IN OUR CITY

With over 900 hectares of parks and natural spaces, urban wildlife is a part of life in St. Albert. If you come across a moose, remember these tips to stay safe:

- Do not approach the moose at any time, even if they appear calm and friendly.
- Maintain a distance of at least 36 metres (120 feet).
- Wild animals should not be fed and doing so can result in fines under the Wildlife Act or the Parks Bylaw.
- Do not allow dogs off leash near moose. Moose see dogs as a threat and may defend themselves.

Learn more about what you can do to stay safe and avoid conflict with wildlife by visiting [stalbert.ca](http://stalbert.ca) and searching **City Wildlife**.
