

# Cloud Dough Experiment

How to make cloud dough with two ingredients!  
A soft sensory experiment!

## Materials:

Cornstarch  
Hair conditioner  
Food colouring  
Measuring cups  
Large mixing bowl  
Spoon  
Ziploc bag  
Newspaper/plastic tablecloths for covering tables

## Procedure:

1. Pour the cornstarch into a large mixing bowl and slowly add conditioner
2. Use hands to mix; keep adding conditioner until the mixture holds together on its own.
3. Wearing a pair of gloves, add food coloring and keep mixing.
4. When finished, store your cloud dough in a Ziploc bag.
5. Clean up and wash your hands!
