PROGRAM GUIDE

SPRING 2024

activity.stalbert.ca

Transfers/Withdrawals

In the event that you must withdraw or change your program registration (at least one week prior to the program start date), you can do one of the following:

1. Transfer immediately into one of our many available programs with no administration charge (subject to program availability).
2. Request a full refund minus a \$5 administration fee.

All refunds and transfers within 7 days of the start date or after the program begins must be approved by a programmer and will only be done for extenuating circumstances.

Please contact Guest and Member Services with all cancellation inquiries at 780-459-1553.

Cancellations

Programs may be cancelled due to low enrollment. In the event that a registered program is cancelled, you will be notified, by phone, at least three (3) days prior to the start date. During these circumstances, a full refund will be provided, or you may transfer immediately into one of our available programs (subject to program availability).

Register early to ensure your program runs!

Preschool Aquatics Programs

Parent and Tot 1 - Daytime - Fountain Park

Parents and babies will explore the water together under the watchful eyes of their instructor. They will learn how to discover the water safely through practicing entries and exits, and parents will be taught how to safely support their child while they play.

Preschool 2 - Fountain Park - HomeSchool

Preschoolers will work on becoming more independent with their water skills. Some of these skills include jumping into chest deep water unassisted, submerging and exhaling underwater, and floating and gliding with various buoyant aids. They will be introduced to lateral rollovers and practice their flutter kick on their backs.

Child Aquatics Programs

Diveasurs - Fountain Park

This program is for children between the ages of 5 and 8 who are comfortable swimming in the deep water without assistance and are looking to broaden their aquatic experience. Exercises and skills taught will work on developing the elementary body positions that includes jumps, tucks, pikes and layouts which are required for diving. Once divers have mastered these skills they can progress to more complex diving skills.

Participants must be able to swim 25m on their front unassisted.

Swimmer 3 - Fountain Park - HomeSchool

Swimmers will make a splash with their kneeling dives and forward roll entries. Swimmers will be challenged with the introduction to more difficult (but fun) skills such as handstands in shallow water and front somersaults (in water). Increased time and distance components are incorporated for skills learned such as flutter kick on front and back, whip kick on back, front and back crawls, and interval training.

Swimmer 4 - Fountain Park

Swimmers will move from a beginner to intermediate swimming level. Swimmers will complete standing dives, tread water for one minute, and work towards being able to swim underwater for 5m. Swimmers will achieve the Swim to Survive standard by being able to roll into deep water, tread water for one minute, and swim 50m. In addition to improving their front crawl, back crawl, and whip kick, swimmers will be introduced to breaststroke.

Swimmer 7 - Rookie Patrol - Fountain Park

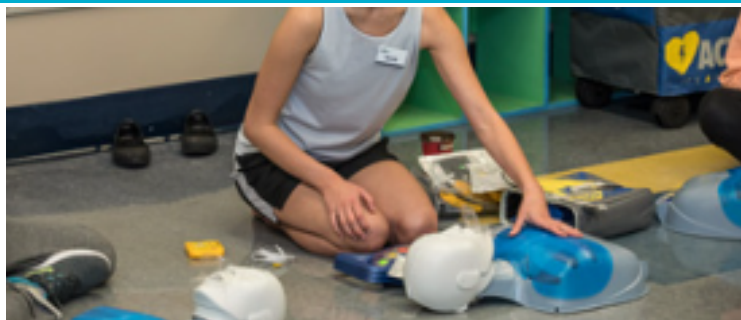

Rookie Patrol lays the foundation of the Swim Patrol program. It includes four main components: stroke refinement, fitness, first aid, and lifesaving. Stroke refinement is focused on the front crawl, back crawl, and breaststroke. Fitness components include a 350m workout and 100m timed swim. Swimmers will learn about assessing conscious victims, contacting EMS, and treatment for bleeding. Rookie Patrol is rounded off with an introduction to lifesaving skills, including self-rescue techniques, victim recognition, and using throwing assists.

Swimmer 8 & 9 - Ranger and Star - Fountain Park

Ranger Patrol enhances capability in the water, including stride entry, underwater forward and backward somersaults, lifesaving eggbeater kicks, and increased fitness levels to meet a timed 200m swim. Rescue skills involve an increased skill level in ABC first aid basics, victim recognition, and non-contact rescues. Star Patrol is excellent preparation for the Bronze Star award as it demands good physical conditioning and lifesaving judgment. Students will refine their front crawl, back crawl, 100m breaststroke, and complete a 600m workout and 300m timed swim. Valuable lifesaving and first aid skills are developed in this combined course.

Bronze Cross - Fountain Park

Prerequisite: Bronze Medallion. Participants must complete Bronze Medallion prior to registering in Bronze Cross.

The Lifesaving Society's updated Bronze Cross begins the transition from lifesaving to lifeguarding and prepares candidates for responsibilities as assistant lifeguards. This course also includes a Lifesaving Standard First Aid. Bronze Cross candidates strengthen and expand their lifesaving skills and begin to apply principles and techniques of active surveillance in aquatic facilities. Bronze Cross emphasizes the importance of teamwork and communication in preventing and responding to aquatic emergencies. Bronze Cross is a prerequisite for advanced training in the Lifesaving Society's National Lifeguard and Swim Instructor certification programs.

****Please Note:** A manual and additional certification costs will be added at time of registration. 100% attendance is required.

Special Needs - Fountain Park

These are one-on-one lessons for those with physical or mental challenges where the instructor works with both the student and parent or guardian. Please contact Fountain Park Recreation Centre to receive the student information form. We ask that the form be filled out and returned on or before the first class.
