RECYCLING TIPS

Items must be empty, clean and dry. No food or liquid residue.

- Keep items loose inside the blue recycling bag, no additional bags.
- Tie blue recycling bags tightly to prevent litter on a windy day.
- Blue recycling bags must not exceed 15 kg (33 lbs.) per bag.
- Beverage containers can also be returned to a bottle depot for a refund.
- Only put acceptable recyclables inside your bag.
- Numbered triangles on items do not mean the item is recyclable, but that it is made with plastic content.
