ENCROACHMENT AGREEMENT PROCEDURES AND REQUIREMENTS

If you have been requested by the City of St. Albert to enter into an Agreement, the following is a checklist of documents you need to submit to Planning & Engineering in order to process the request.

- Completed Application Form
- 5 copies of your current Real Property Report
- **\$554.00** (2022 fee) preparation fee which may be amended from year to year
- A current copy of the Certificate of Title
- The name(s) of the person(s) that the agreement will be registered in written in exact form as is, or will be, shown on title
- The name and phone number of the Lawyer representing the person(s)
- Written responses from Private Utility Companies (if required)

Once all the documents are received by Engineering, the Encroachment Agreement document will be prepared. When this document is ready, you or your lawyer will be contacted. When signed by the owners, the Agreement must be returned to the City for its execution. Following City execution, the document is returned to your lawyer so it can be **REGISTERED WITH LAND TITLES AT YOUR OWN EXPENSE**. Once you submit proof to The City of St. Albert that the Agreement has been registered, your Compliance Certificate is released from any Engineering Department concerns.

Any questions regarding the Encroachment Agreement should be directed to our Engineering Department to:

Amy Bilodeau
Storm/Land Compliance Coordinator
City of St. Albert
Phone: 780-418-6613 Fax: 780-458-1974
abilodeau@stalbert.ca

**CITY OF ST. ALBERT
ENCROACHMENT AGREEMENT APPLICATION**

Date: _____

Name of Property Owner(s):

**(Please use exact spelling as is,
or will be, shown on title)**

Address: _____

Phone Number: _____

Name of Lawyer: _____

Lawyer Address: _____

Lawyer Phone Number: _____

Property Description:

Municipal Address: _____

Legal Land Description: _____

Procedures and Timelines:

Once all documentation is received by Engineering Services, the Encroachment Agreement documentation will be drafted and reviewed. When this document is ready either you or your lawyer will be contacted and sent the agreements. The homeowner(s) must then sign the agreements and return them to the City of St. Albert Engineering Department for execution.

Upon City execution, the documents are returned to your lawyer, so it can be registered at Land Titles at your expense. Once proof of agreement registration on title is received by the City of St. Albert Engineering Department, your Compliance Certificate (if required) will be released of any further engineering concern.

Processing times vary but the average time to complete the entire process is between 4 and 12 weeks. Because of this, if your house is for sale and the possession date will be sooner than the City would be able to process the agreement, you may want to wait until the title has changed and then prepare the agreements in the new homeowner's name. Planning is able to provide a conditional compliance in this case.

If you have any questions or concerns please see contacts below for assistance;

Engineering	Amy Bilodeau	780-418-6613
Planning	Development Officer	780-459-1642

Signature of Applicant:
