ST. ALBERT *Municipal Cemetery*

Peacefully situated in the
northeast corner of St. Albert
on Poundmaker Road

We respectfully acknowledge that we are on Treaty 6 territory, traditional lands of First Nations and Métis peoples. As treaty People, Indigenous and non-Indigenous, we share the responsibility for stewardship of this beautiful land.

The St. Albert Municipal cemetery provides a full range of services including standard and ash burials, a Field of Honour for veterans, columbaria and an ash scattering garden.

INDIGENOUS CEMETERY (1946-1969)

The Indigenous Cemetery is located in the southeast portion of the Municipal Cemetery. The 98 Indigenous Charles Camsell Hospital patients from the Northwest Territories, Yukon, British Columbia, Alberta and Saskatchewan, were buried here between 1946 and 1969. This portion of the cemetery was originally acquired in 1920 by the Federal Government (as represented by the Superintendent General of Indian Affairs), in 1971 it was transferred to the Province (as represented by Alberta Public Works) and then to the City of St. Albert in 1979. In June 1990, a service was held to dedicate the memorial cairn to those 98 individuals interred here.

PRE-PLANNING

Pre-planning provides peace of mind knowing that obligations will not be placed upon your family during an emotional and difficult time. If you wish to be involved in how you are remembered, planning ahead gives you the opportunity to provide your family with information about what is important to you. Our Cemetery Officers will assist you in making choices that suit your wishes and the needs of your family and friends. Loved ones can be buried next to or near each other by reserving plots in advance.

For an appointment with a Cemetery Officer, please contact the City of St. Albert at **780-459-1500**.
