

# 2026-27 St. Albert Annual Policing Plan Priorities

As identified by the RCMP, St. Albert Policing Committee and community partners:

## 1. Crime Reduction

### Objective:

Engage proactive initiatives to decrease crimes against persons and property.

### Initiatives:

- Curfew and court condition checks on prolific offenders
- CRU to collaborate with Crime Analyst and community partners to identify prolific offenders residing in the community
- Targeted enforcement projects relating to auto theft, retail theft, and property crime
- Public awareness surrounding personal and property security, including “Operation Cold Start”

### Measures:

- Number of curfew and court condition checks completed
- Number of targeted crime reduction projects conducted
- Number of charges laid against repeat offenders

## 2. Mental Health and Vulnerable Communities

### Objective:

Enhance response, outreach, and support for vulnerable persons.

### Initiatives:

- Increase meaningful engagement opportunities within schools
- Continue collaboration with school boards and community outreach agencies
- Education and awareness initiatives relating to senior fraud prevention
- Continue supporting trauma-informed approaches for youth victims and witnesses

### Measures:

- School visits and presentations conducted
- Senior fraud prevention presentations conducted
- Child forensic interviews completed or supported

## 3. Domestic Violence and Assaults

### Objective:

To proactively address domestic violence occurrences through enhanced investigative oversight and victim support.

### Initiatives:

- Review domestic violence investigations to ensure investigations are complete and victim focused

- Continue collaboration with victim support agencies and community partners
- Participate in community initiatives focused on domestic and sexual violence awareness and prevention

**Measures:**

- Number of domestic violence files reviewed
- Number of high-risk referrals completed
- Trends relating to repeat domestic violence occurrences

#### **4. Traffic Safety**

**Objective:**

Enhance road safety through visible enforcement and focused traffic initiatives.

**Initiatives:**

- Proactive traffic enforcement initiatives aligned with provincial and municipal traffic safety strategies
- Conduct regular impaired driving enforcement operations and check stops
- Enhance school and playground zone safety through dedicated enforcement operations
- Education and enforcement initiatives relating to seasonal traffic concerns and unsafe driving behaviours

**Measures:**

- Total number of traffic violations issued
- Number of impaired driving enforcement operations conducted
- Number of school and playground zone enforcement operations completed
