

## **2025-26 St. Albert Annual Policing Plan Priorities**

**As identified by the RCMP, St. Albert Policing Committee and community partners:**

### **1. Crime Reduction**

**Objective: Engage proactive initiatives to decrease crimes against persons and property.**

#### **Initiatives:**

- curfew & conditions checks on prolific offenders, Target Prolific Offender recidivism
- Public Awareness surrounding personal and property security, “Operation Coldstart” etc
- CRU to collaborate with Crime Analyst, Probation and Parole Services to identify prolific offenders residing in the community. Develop and promote community awareness / engagement

#### **Measures:**

- Recruitment of high quality CI's vs a number
- Results from ongoing investigative projects

### **2. Mental Health and Vulnerable Communities**

**Objective: Enhance response, outreach, and support for seniors, youth, and other vulnerable**

#### **Initiatives:**

- Increased training and awareness around EDI as well as community issues tied to mental health and appropriate responses, education and training.
- Develop initiatives to continue to build trust and confidence in policing services. For example- foot patrols through Farmers Market etc,
- Concentrating on senior issues such as fraud through education and assistance.

#### **Measures:**

- School visits and hours spent by members in St Albert schools having meaningful interactions
- Presentations at Senior Centre as well as visits forming connections.

### **3. Domestic Violence and Assaults**

**Objective: To proactively address instances of ongoing or repetitive domestic violence**

**Initiatives:**

- Raise awareness regarding ongoing and repetitive domestic violence, spousal, and gender-based violence.
- Improved and enhanced education of community support services (SAIF, Saffron, etc.) incorporating best DV practices including emailing out the safety planning packages to victims on a regular basis.

**Measures:**

- Feedback from community partners in SAIF, Saffron etc

### **4. Traffic**

**Objective: Enhance Road Safety**

**Initiatives:**

- Enhance road safety through interactive enforcement with drivers
- Enhance school zone safety with visible active presence

**Measures:**

- Traffic enforcement including violation ticketing, number of school zone patrols and checkstops
