

CONSTRUCTION NOTICE

RE: DEEP UTILITIES CONSTRUCTION IN YOUR AREA

DEGNER CONSTRUCTION INCORPORATED wishes to inform you that we have been contracted by the City of St. Albert to perform deep utilities construction at 17 Riel Drive.

The project involves fencing of workspace, installation of dewatering wells, installation of an oil and grit separator, followed by site restoration. Please see above sketch for detailed construction areas.

We will be proceeding with these improvements **mid-February 2026**. Work on this project is expected to continue until the end of **March**.

For overall project related information, please contact the Degner Construction Incorporated office at (780) 960-8723 or contact the Construction Help Desk at construction@stalbert.ca or (780) 459-1762.

In the event of a site emergency, please contact site superintendent Heath Kuzio of Degner Construction Incorporated at (780) 818-8037.

Thank you for your cooperation.

DEGNER
