

Urban Explorers (6-9Y)

Week 2 (July 6 – 10)

Calling all nature enthusiasts and adventure seekers! Join us for a week of exploration, geocaching, slacklining, wide-games, and pool splashing as we connect with the wonders of nature in our local river valley, protected natural areas, and green spaces. Campers will investigate the wildlife we live amongst within our own neighborhood, uncovering fascinating facts such as the existence of 35 different squirrel species. Get ready for an exploration-packed week where we'll discover, build shelters, and cook over an open fire. Hope you're ready for an adventure! Camp will take place at Lacombe Clubhouse, 145 Larose Drive. Pre and post-care are NOT AVAILABLE for camps at community clubhouses.

- Nut-free lunch and snacks
