

Oakridge Park Off-Leash Area

Some visitors and dogs are not ready for the excitement of off-leash areas. Make sure you know when your dog is feeling uncomfortable or overwhelmed.

To ensure off-leash areas are safe and comfortable for all, please follow these guidelines as per Animal Bylaw 11/2013:

- The behaviour of your dog is your responsibility. Keep your dog under control at all times.
- Owners must pick up poop immediately and always carry a means of picking up after their dog. Fines apply for non-compliance.
- Dogs must be on-leash when on or within one metre of trails, including trails in an off-leash area. Dog walkers must always carry a leash.
- Dogs are prohibited from being in playground areas even when on a leash.
- All areas are on-leash when organized sporting activities are taking place.

St. Albert is an on-leash community, unless in one of the City's designated dog parks or off-leash sites.

Report non-compliance to Municipal Enforcement at 780-458-7700.
