6:30 to 8:30 p.m.

Rivers Edge Counselling Centre
14 Mission Avenue, St. Albert

After a suicide attempt, life can be confusing and filled with conflicting emotions. Due to the stigma associated with suicide, many suicide attempt survivors feel alone on their journey and do not know where to turn for help.

The Survivors of Attempted Suicide Group offers a safe, non-judgmental and supportive space for individuals to talk openly about the feelings that led them to attempt suicide, as well as the impact their attempt has had on their lives.

Groups are eight (8) consecutive weeks and comprised of four (4) to eight (8) people who have survived a suicide attempt.

**Prior to admission, potential members must complete an in-person intake to ensure the group is an appropriate resource. Participants must be 18 years of age or older.*

There is no cost to attend.

This initiative is being funded through a grant provided by the St. Albert Community Foundation.

For more information, or to schedule an intake, contact Rivers Edge Counselling Centre at 780-460-0022 or by email at info@riversedgecounselling.com.
