# Tour THE BOTANICAL ATTRACTIONS IN St. Albert

## St. Albert Botanic Park

The St. Albert Botanic Park in the Sturgeon Valley is between the River and Road of the same name. This five acre gem is a quiet, sweetly scented place to stroll, smell the flowers, take photographs, have a wedding, buy a gift or spend some time just being. Thanks to the loving work of many volunteers, our summer staff and community supporters, the Botanic Park is available for your enjoyment.

## Enjoy Centre

The Enjoy Centre is more than a store; it's a destination. You'll discover boutiques, food and wine, a spa, restaurant, garden centre—even an events space. Soaring glass ceilings provide breathtaking views of the prairie sky, making it an amazing venue for weddings, lunch out, or an inspired day of shopping. The Centre is also home to Hole's Greenhouses, that continue in its traditions of quality and service while expanding the concept of gardening to reflect a broader, more modern view of living. Fashion, entertainment, food, art, plants—everything you need to create a lifestyle about you.
