AUTHORITY	APPROVED	Res. No.	mm dd	REVISED	Res. No.	mm dd
City Council		C692-2011	10 31			

Purpose

To ensure the most cost-effective facilities are used for meetings.

Policy

The City, as a corporation, will first seek to use its own facilities, rooms and spaces (e.g., clubhouses, boardrooms, halls), and facilities that fall under the Reciprocal Use Agreement (i.e., schools), as the primary venues, as appropriate and most cost-effective for the activity, prior to seeking private facilities or venues.
